MESH SERIES
LCX-01B-B-SL//MEDIUM TOWER

Product	computer case
M/B support	mATX / ATX / EATX
Color	black / silver

LCX-01B-B-SL – The medium tower with 540mm depth perfectly suits the installation of EATX server mainboards. It has enough space for up to 12x ODDs and HDDs. An optimal cooling design effectively prevents a possible overheating. The interior of the chassis has been split into two separate cooling zones, enabling the HDDs to be cooled in an area separate from the CPU/GPU.

Features

ToolFree · USB Version 2.0 · HD AUDIO · CoolDown · FireWire
